VEGETINE I WILL TRY VEGETINE. HE DID, AND WAS CURED. Delaware, O., Feb'y. 16, 1877.

Mr. H. R. Stevens: Dear Sir-I wish to give you this testimony, that you may know, and let others know, what Vegetine has done for me. About two years ago a small sore came on my leg; it soon be-came a large ulcer, so troublesome that I consulted the doctor, but I got no relief, growing worse from day to day. I suffered terribly; I could not rest day or night; I was so reduced my friends thought I would never recover; I consulted a dector at Columbus. I followed his advice; it did no good. I can truly say I was discouraged. At this time I was looking over my newspaper. I say your advertisament of discouraged. At this time I was looking over my newspaper; I saw your advertisement of Vegetine, the 'Great Blood Purifier' for cleansing the blood from all impurities, curing Humors, Ulcers &c. I said to my family, I will try some of the Vegetine. Before I had used the first bottle I began to feel better. I made up my mind I had got the right medicine at last. I could now sleep well at nights. I continued taking the Vegetine. I took thirteen bottles. My health is good. The ulcer is gone, and I am able to attend to business. I paid about four hundred dollars for medicine and doctors behundred dollars for medicine and doctors before I bought the Vegetine. I have recommended Vegetine to others with good success. I always keep a bottle of it in the house now. It is a most excellent medicine.

Very respectfully yours, F. ANTHONI. Mr. Anthoni is one of the pioneers of Dela-ware, Ohio. He settled here in 1834. He is a wealthy gentleman, of the firm of F. Anthoni & Sons. Mr. Anothoni is extensively known, es-

pecially among the Germans. He is well known in Cincinnati. He is respected by all.

IMPURE BLOOD.—In morbid conditions of the blood are many diseases; such as salt rheum, ring worm, boils, carbuncles, sores, ulcers and pimples. In this condition of the blood try the Vegetine, and cure these affections. As a blood purifier it has no equal. Its effects are wonder-

Dear Sir-I feel it my duty to say one word in regard to the great benefit I have received from regard to the great benefit I have received from the use of one of the greatest wonders of the world; it is your Vegetine. I have been one of the greatest sufferers for the last eight years that ever could be living. I do sincerely thank my God and your Vegetine for the relief I have got. The Rhoumatism has pained me to such an extent, that my feet broke out in sores. Club Life in New York. Although it is an incontrovertible feet that clubs in the metropolis rarely flourish in a financial point of view, they have rapidly increased within the last fifteen years and the multipliestion of them is likely to continue. In 1960 there were only ten respectable clubs in New York, whereas now there are forty-six, but of this number only sixteen are prominent and

socially influential. Since the year given above several clubs have become bankrupt and gone out of existence. notably the Eelectic, having a club house where the Hotel Brunswick now stands, the Areadian. Travelers, Athenaum and Blessom, the latter at one time exercising considerable inflaence in political affairs.

Each and every local club has some distinctive characteristic and reputation. Thus it is that the members of the Lotes are actors, scribes artists and theatrical managers; of the l'a lette, artists and literary men; the Union, men of wealth and leisure, having aristocratic tastes; the Down Town, merchants and business men, the St. Nicholas and Kuickerbocker, descend auts of old families (some of whom have de seended a trifle lower than others); at the Union League and Manhattan, politicians and office-holders, the former Republican and the latter Democratic. M. Evarts, Secretary of State, is nominally president of the club, but his visits to the club house are same

thing like those of the angels. The Union League is the richest of the clabs in this city, if not in the United States. The members number over 1,500 resident and neuresident, and the club has something like \$250,000 invested in government bonds. It was organized at the beginning of the war, and the club house was originally the residence. stables and private theatre of Mr. Leonard W. The Union League has a remarkably fincollection, and the restaurant is one of the best in the city, although it has never part a profit over expenses. The theatre is a source of revenue to the club during the winter s son, being engaged for private social entertain ments almost every right from November to Easter. The Union League has not been exempt from strife and discord, one of the latest troubles having occurred over the notes nation for election to membership of a son of Mr. Weite, proprietor of the Brevoert Hanes. certain would be exclusive members of the or ganization black balling him because he is in

The Century club is made up almost exclu-

sively of professional men-doctors, judges, lawyers, artists and clergymen -and has met with severe loss in the death of its president, M: W. C. Bryant, and of Mr. G. S. Appleton, one of its leading members. These two deaths, following closely each other, were the first since the roll of membership was completed. This is a very conservative club, and no "enobs, scrubs or cads," as they say in London, have ever been able to gain admission. The Coaching club is of comparatively recent

club, catablished in an amateur sort of way by the late Geo. Griswold Gray, who was the first to drive a coach and four in New York. The membership is limited to twenty-live, and every member must own and be abloto drive a tour inhand or have an interest in the ownership of a coach. There are now twenty-four members, and the twenty-fifth will be Mr. Alexander Taylor, jr., who will be elected in the fail. Just at present the clubs are cult and quiet.
